Brütsch·Rüegger Tools

Latex finger cots A*F

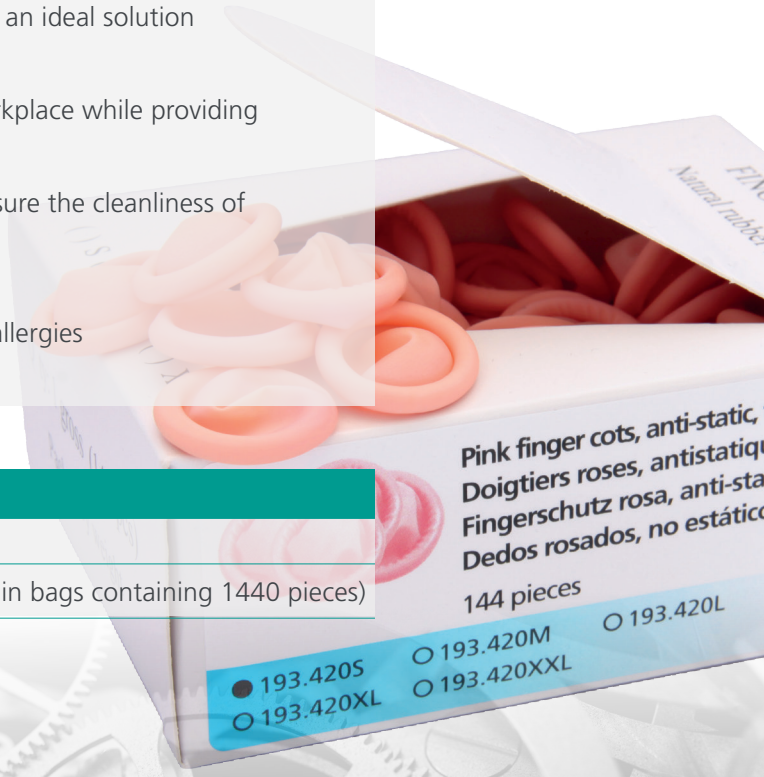

750200

Tools. Next Level.

The latex finger cots are supplied in a box of 144 pieces. Resilient, antistatic, talc-free, roughened tip. Rolled, easy to put on.

The benefits

- **Cost-effective:** Available in boxes of 144 pieces, they offer an ideal solution as a practical and inexpensive alternative
- **Space saving:** Compact box that reduces clutter in the workplace while providing quick, easy access to finger protection caps
- **Safety and protection:** Talc-free finger protection caps ensure the cleanliness of sensitive parts, thereby reducing the risk of contamination.
- **Comfortable:** Made from latex, a flexible material, these finger protectors offer high comfort and reduce the risk of allergies
