Brütsch·Rüegger Tools

A*F Rub-off cleaning paste

761925

Tools. Next Level.

Product designed to clean pivots and wheels, remove stains and fingerprints, remove excess oil from stones, and extract broken pivots. Ideal for cleaning watches.

The benefits

- **Thorough cleaning:** Designed to clean delicate watch components and movements precisely and thoroughly without leaving any residue
- **Safe to use:** Non-abrasive and non-corrosive, it will not cause any damage to delicate and sensitive watch component surfaces
- **Versatile applications:** In addition to watch components, Rub-off can also be used to clean jewellery and optical instruments, or to maintain components
- **Economical:** The mouldable texture allows access to hard-to-reach areas and is reusable and practical
